

# White Pass & Yukon Route Railroad

## Premium Travel Group • Alaska Expert Series

### Overview

The most famous rail excursion in Alaska climbing nearly 3,000 feet through mountains, tunnels and trestles.

### History

Built in 1898 during the Klondike Gold Rush, this engineering marvel carried miners and supplies into the Yukon.

### Top Highlights

- Historic railway journey
- Bridal Veil Falls
- Dead Horse Gulch
- Yukon scenery

### Insider Tips

- Reserve this excursion before your cruise—it often sells out.
- Sit on the left side leaving Skagway for excellent views.

### Packing Essentials

Camera • Binoculars • Layers • Waterproof Jacket • Extra Batteries
