

# BS The Beach Club at Bimini Cruise Destination Guide

## Your Complete Guide to Virgin Voyages' Exclusive Beach Club Experience in The Bahamas

Unlike traditional private islands, **The Beach Club at Bimini** is an exclusive beach club experience created specifically for **Virgin Voyages** guests. Located on the island of **North Bimini, Bahamas**, the Beach Club combines a stunning stretch of white-sand beach with resort-style amenities, live entertainment, exceptional dining, and the adults-only atmosphere that defines the Virgin Voyages experience.

Because Virgin Voyages is an **adults-only cruise line (18+)**, the Beach Club at Bimini was designed with adult travelers in mind. Whether you're looking for a relaxing beach day, a lively DJ pool party, or a quiet spot to unwind with a tropical cocktail, you'll find it here.

The Beach Club offers a unique blend of laid-back island vibes and upscale resort energy, making it one of the most distinctive cruise destinations in the Caribbean.

### Is The Beach Club Exclusive to Virgin Voyages?

While **The Beach Club at Bimini** was created as the signature beach destination for **Virgin Voyages**, it isn't completely exclusive.

Guests sailing on **Virgin Voyages** enjoy **complimentary access** to the Beach Club as part of their cruise fare, including transportation from the cruise pier and access to the club's beaches, lagoon-style pool, restaurants, and entertainment.

Guests arriving on **other cruise lines** that visit Bimini may also have the opportunity to visit the Beach Club, **but only by purchasing it as a shore excursion** (when available). Availability is limited, and access is not guaranteed for every sailing.

## Premium Travel Group Tip

If you're sailing with **Virgin Voyages**, one of the biggest perks is that the Beach Club experience is already included in your cruise. Guests on other cruise lines should check their shore excursion offerings early, as Beach Club passes can sell out.

## Where Do Cruise Ships Dock?

Virgin Voyages ships dock at the **Resorts World Bimini Cruise Pier**.

After leaving the ship, guests board a **complimentary open-air tram** for the short ride to the Beach Club.

The arrival area includes:

- Welcome Center
- Tram transportation
- Guest Services
- Excursion meeting areas
- Beach Club entrance

The tram ride takes only a few minutes.

## Why Visit The Beach Club at Bimini?

The Beach Club at Bimini delivers an experience unlike any other cruise destination. Rather than focusing on family attractions or large-scale water parks, Virgin Voyages created a sophisticated adults-only beach retreat where guests can choose between lively entertainment and peaceful relaxation. With beautiful beaches, a stunning lagoon pool, excellent dining, and a distinctly modern atmosphere, it's the perfect complement to the Virgin Voyages experience.

## Joe's Logbook

The Beach Club at Bimini stands out because it isn't trying to be another private island. Instead, it embraces what Virgin Voyages does best—creating stylish, relaxing spaces designed exclusively for adults.

One thing I appreciate is the flexibility. You can spend the afternoon enjoying the upbeat atmosphere around the lagoon pool with live DJs and great energy, or you can take a short walk down the beach and discover a much quieter side of the club. It's really two experiences in one.

If you're sailing on Virgin Voyages, don't rush through your day. Find the atmosphere that fits your mood, enjoy the incredible Bahamian scenery, and remember that sometimes the best part of a vacation is simply slowing down and soaking it all in.
